---

To Our Brady's Pool & Spa Care Customers,

In light of the newest government regulations, our retail is now open to limited numbers.

**IN STORE SHOPPING:**

**In store shopping is available for maximum 3 customers at a time.** We feel that this will allow everyone to be served by our staff quickly and efficiently. Due to our limited number, we ask that only one member of your household shops at a time.

**CURBSIDE PICKUP:**

Curbside pick up is still available through our online store:

<https://shop.bradyshottubsottawa.com/> Most orders are available same day. You will receive an email when your order is ready to be picked up.

**WATER TESTING PROCEDURE:**

Water testing is available in store only. Water samples dropped off on our curbside pick up shelf or outside the door during business hours WILL NOT be tested.

**POOL AND HOTTUB SERVICE:**

Since our services are outdoors and do not require person to person contact, we feel that our service technicians can safely do their work in your backyard. **Please be mindful of social distancing guidelines and keep 2 meters of distance between yourself and our staff at all times.** If distancing is an issue, please wear a mask to ensure everyone's safety.

Please call 613-820-7556 or email [info@bradyspool.com](mailto:info@bradyspool.com) for service inquires.
