

Hydropool Self-Cleaning 17AX AquaTrainer

The AquaTrainer 17AX features new ergonomic design and swim tank design along with numerous engineering innovations that include new Immersion Lounger and three HydroTherapy Seats each with Zone Therapy. The swim has gone to new depths with a 53 inch deep swim tank and our new two high performance adjustable wide stream swim jets and one AquaStream jet all backed up by our new Dual Performance Flow Intakes that dramatically reduce the reflective wave effect. The swim tank features a new soft stride mat on the floor. All encompassed by our new acrylic lip edge design.
